To: Honorable Chairwoman Rebeca Sosa
and Members, Board of County Commissioners

From: Carlos A. Gimenez
Mayor

A handwritten signature in black ink, likely belonging to Carlos A. Gimenez, the Mayor.

Subject: Resolution Declaring as Surplus Two County-Owned Real Properties Located at 100 NW 13 Street and 1337 NW 2 Avenue, and Authorizing Conveyance to the Florida Department of Transportation in Conjunction with the Interstate 395 Reconstruction Project

Recommendation

It is recommended that the Board of County Commissioners (Board) approve the attached resolution, which authorizes the following actions:

- Declares as surplus a 410.35 square foot County-owned property located at 100 NW 13 Street, Miami, Florida (Folio No. 01-3136-009-1080) and a 3,806 square foot County-owned property located at 1337 NW 2 Avenue, Miami, Florida (Folio No. 01-3136-009-0840);
- Authorizes the conveyance of these properties to Florida Department of Transportation (FDOT), at no cost pursuant to Florida Statute 125.38, per the formal donation request received from FDOT (attached), and
- Waives Administrative Order 8-4 as it relates to review by the County's Planning Advisory Board because all the properties are located within the City of Miami.

Scope

These properties are located in County Commission District 3, which is represented by Commissioner Audrey M. Edmonson.

Fiscal Impact/Funding Source

The conveyance of these properties will eliminate the County's obligation to maintain the properties as follows:

- 100 NW 13 Street – eliminates the annual maintenance cost of approximately \$21 per year.
- 1337 NW 2 Avenue – eliminates the annual maintenance cost of approximately \$179 per year.

Track Record/Monitoring

Shannon Clark of the Real Estate Development Division in the Internal Services Department is managing the conveyance of these properties.

Delegation of Authority

Authorizes the County Mayor or the Mayor's designee to convey the property at no cost, take all actions necessary to accomplish the conveyance of these properties, and authorizes the Chairperson or Vice Chair of the Board to execute County Deeds for such purpose.

Background

FDOT will be conducting an Interstate 395 Reconstruction Project. This project involves the rebuilding of the State Road 836 (I-395) corridor from its terminus at the west of the I-95/Midtown Interchange to its corridor terminus at the West Channel Bridges of US 41/MacArthur Causeway, a distance of approximately 1.4 miles. The subject parcels are small remnants that are necessary for the widening and reconstruction of the I-395 Bridge, which will include adding one lane eastbound and one westbound.

Honorable Chairwoman Rebeca Sosa
and Members, Board of County Commissioners
Page 2

FDOT's anticipated completion date for preliminary design activities is August 2014. FDOT has formally requested that the County convey these properties at no cost. The County has circulated these parcels to all County departments, as well as to the City of Miami, to determine if there is another need for these parcels, in which none has been determined. As such, and given the importance of this project, it is in the best interest of the County to convey these properties to FDOT to further their ability to proceed with this project. Additional property details are as follows and shown in the attached property maps:

100 NW 13 Street (Folio No. 01-3136-009-1080)

The County acquired this property through Tax Deed escheatment on February 15, 1984.

1337 NW 2 Avenue (Folio No. 01-3136-009-0840)

The County acquired this property through Final Judgment for delinquent taxes on May 9, 1973.
